**PHILIPPINE PRACTICAL
SHOOTING ASSOCIATION**

PHILIPPINE PRACTICAL SHOOTING ASSOCIATION (PPSA)

Practical Shooting is the fastest growing shooting sport in the world to date. Combining the elements of Speed, Power, and Accuracy, it is a venue that seeks to develop and test an individual's shooting skills in a controlled sporting environment. Practical shooting matches are realistic, diverse and fun, mixing props such as barricades, doors, shooting ports, tunnels and other everyday objects with full or partially exposed targets, moving targets, penalty-carrying no-shoot targets and steel reactive targets to test the skills and techniques of the practical shooting competitor.
